CONSULTING

**Please read our common
FAQs**

bemontessoriconsulting.com

01 When will I receive access to the learning resources I have ordered?

All our learning resources are in digital format, so you will have instant access to the printable right away. Please ensure that you provide the correct email address when ordering. An email containing a download link will also be sent out to you instantly.

02 I bought a resource, but can not see the download link?

Once you made an order a link with the access of the product has been sent to your email straight away. Please check your inbox including your SPAM folder. You can also search for an email coming from bemontessoriconsulting@gmail.com and don't forget to add us to your address book.

03 ORDER RECOVERY

If you can still not find your order email, please send us an email to bemontessoriconsulting@gmail.com, with your email address and letting us know that you want your order recovered. We understand that some times typos can be made during the checkout process. We will resolve the matter as soon as possible.

04 What is the target age group?

All learning resources are developed for children from 2 to 6 years of age, but some resources can be used for older children.

05 What are the subjects covered by the learning resources?

The learning resources cover most of the main subjects: Language, Zoology, Botany, Geography, Mathematics, Science, Art, Music, History and more. Your child will be able to also practice practical life, motor and sensorial skills.

06 How long will I have access to the printable material?

The printables are yours for life and you have 2 months to download it, after that time the link will expired.

07 Will anything be shipped to me?

No, nothing will be shipped to you. All our learning resources are digital products that you will download and print for instant acces.

08 Do I need to use special software to open the files?

All learning resources are files converted to PDF, therefore, the only software you will need is Adobe PDF Reader, which is most probably already on your computer.

09 Do I need to buy special paper?

There is no need to print them on special paper. A regular A4 sheets of paper with a thickness of at least 100 gsm, is perfect for most printables. For more durability of the resources, we recommend laminating the materials that can be reusable for children.

10 Can I make changes or alterations to the learning resources?

The learning resources are digitized PDF files and cannot be altered or edited. Please, don't share the link or the PDF files with anybody, they are for you to be enjoyed with your children.

11 Do You Offer Refunds?

Due to the digital nature of the learning resources, we are unable to offer refunds.

12 What About My Privacy?

Your personal details that you provide during checkout are kept private with us. We are serious about this and will not share your information.
